**Sunday 1<sup>st</sup> November 2009.** This should have been the 1<sup>st</sup> round of the new IOM Handicap, sailing for the rediscovered Classic Sail Trophy. What an auspicious start, bad weather, only four skippers turned out and only two of those had boats with them! Naturally there could be no sailing so Round 1 was a non-event.

**Sunday 8<sup>th</sup> November 2009.** First round of new Laser Handicap series, sailing for the Laser Winter trophy now re-christened as the Laser Bowl. A good turnout with 8 boats and Paddy and Keith marking the card with an impressive 9 point lead on the other boats.

**Saturday 21<sup>st</sup> November 2009.** The Annual Dinner and Awards Night, earlier than in the past, and at a new Venue, went extremely well with 24 members and partners sitting down on 3 large round tables to consume a wide variety of buffet dishes, washed down with house wines. The ambient noise level was testament to the sparkling conversation, and judging by the loud laughter that occasionally burst out from one particular table, some very funny jokes. Come the handing out of the trophies and keepsakes and there seemed to be a concentration of winners and runners up on one table, though there was a few went to the other two. I think everyone would agree it was a good evening, and it appears there was only one cloud over the event, which was down to me, and only revealed itself in the light of the next day. When arranging the trophy engraving I mistakenly used the results after the second round of the Laser Chasers, rather than the third, which gave Keith the first place rather than Paddy, for which I am truly sorry and will be rectifying in the next couple of weeks.

**Sunday 22<sup>nd</sup> November 2009.** After leaving home in weak sunshine I ended up driving most of the way through torrential rain, and arrived at the lake about 11:20am as everyone was about to leave. Yup! They had managed 5 races, in round 2 of the Laser Cold Finger, but were then rained off by the downpour I had driven through.
